S-130 Firefighter Training

S-190 Introduction to Wildland Fire Behavior

I-100 Orientation to the Incident Command System

L-180 Human Factors On The Fireline

#### **COURSE DESCRIPTION**

The courses in this series are intended to provide entry level wildland firefighters with a package that meets all of their training, skill development and qualification needs. The course schedule includes both classroom and field training and exercises. Students must have their Chief's signature on their nomination form, which will indicate that the Department is providing insurance coverage for the student and that the Chief has authorized initiation of a FFT2 Position Task Book for the student. Each student must have full wildland PPE for the two field days, including a "New Generation" Fire Shelter. A student who successfully completes the training will have a completed Task Book and recommendation for certification, (Pending pack test for fitness qualification).
