

# TRAINING ANNOUNCEMENT

## S-290 Intermediate Wildland Fire Behavior

### COURSE DESCRIPTION

This course is critical training for first line supervisors (Engine Boss / Initial Attack Incident Commander). It is a "skill" course that is designed to instruct fireline supervisors in integrating fire behavior into their fire management decisions. The course consists of a pre-course package (which includes a pre-course test), twelve formal classroom units, and a final exam.

### TARGET GROUP

This course is required training for first line supervisory positions, such as crew boss, engine boss, and initial attack IC.
